

PIN the NOSE ON RUDOLPH!

Want a game to play at a Holiday Party or just with your friends? Play "Pin the Nose on Rudolph!"

Items Needed: Scarf or something to cover the eyes, tape, Rudolph print and noses!

1. Print the picture of Rudolph and print the page of noses.
2. Cut each nose out. On back of each nose write a number for the number of people. If there are five of you, on one write "1", then "2", on the third "3" and so on.
3. Tape Rudolph to a door or wall where there are no tables or objects in front of for friends to trip over.
4. Make sure that Rudolph is taped at the eye level of the shortest person.
5. When you are ready to play have each person take a nose (without looking). Then have them look at the back of the nose and they'll see the order in which they will play!
6. Have tape on hand so one piece of tape will be on each nose.
7. Blindfold the person playing with a scarf or something so they cannot see where they are going.
8. See who gets closest to putting it on Rudolph's nose! That's the winner!
